

## Information about booking a taxi

It is available to book your taxi during concierge business hours (07:00 - 21:00). Please feel free to contact us. We would inform you about booking a taxi. Please take note of following.

At the time of making a reservation, the dispatch fee specified by the taxi company will be charged.

From 21:00 to 07:00, it is not possible to cancel or change the reservation because the concierge service hours are outside of these hours. We recommend that you make the reservation directly by yourself for the dispatch reservation from 21:00 to 07:00.

The taxi will arrive in front of the hotel. But our hotel faces a busy street, so the estimated arrival time may be delayed depending on the surrounding congestion. Please make a reservation with plenty of time.

Especially on weekends and holidays, it may take some time to dispatch the vehicle. If you are in a hurry, or if you are in a hurry, we recommend that you pick up an empty car directly from the nearby main street (Kokusai Street).

If taxi reservations are suspended due to weather, disasters, or other circumstances, we will not be able to arrange a dispatch.
