## **Our Preventative Measures Against Coronavirus(COVID-19)**

Thank you very much for staying with us, B:CONTE Asakusa.  
As coronavirus has created an unprecedented unfortunate situation, we will take precaution to protect our guests and staff against the virus.

### **Public Space**

1. Hand Sanitizers

We provide hand sanitizers at entrance and public restroom.

2. Disinfectants

We disinfect all devices and facilities such as entrance, doorknobs, elevator buttons, and restroom.

3. Masks and Partitions

We have installed partitions at the front desk and will always wear masks.

4. Sanitation and Ventilation

We sanitize all furniture, walls, and doorknobs with rubbing alcohol also ventilate all vacant guest rooms.

5. Rental Items, Plates, and Dishes

We sanitize all rental items after every use..

6. Health Conditions for all guests

We may ask details regarding your current health conditions and also where you are traveling from.

### **Our Staff**

1. Masks and Sanitize Hands

We wear masks and clean our hands with sanitizers thoroughly.

2. Health Checkups

We record body temperature every day and if we are not feeling well, we are not permitted to work for one week.

3. Hotel Back office

We sanitize our office also wash hands, sanitize hands and gargle thoroughly.

4. Self-Quarantine

We refrain from going outside unless necessary.

## 5. Stagger Work Hours

We have staggered working hours to minimize over crowding and close contact.

### **Requests to Our Guests**

1. Hand sanitizers are now available at entrance and we highly recommend to practice proper hand sanitization at all times. Also we have hand wipes at front desk.
2. We reserve the right to refuse accommodation based on your health conditions.
3. Please kindly request that you notify us if you are not feeling well.

Please note that health-related measures may change without notice.

We appreciate your kind understanding and cooperation.
